Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted applicant's representative to discuss the status of claims 51-62. In the amendment filed on November 4, 2004, claims 51-62 are listed as "withdrawn". However, in a response from applicant on February 18, 2003, these claims are said to be cancelled. Examiner confirmed with applicant's representative that these claims are indeed cancelled, and will make the change to the status of claims by Examiner's Amendment. With this amendment, the application is placed in condition for allowance.
